Finca, Javea

Ref: E8290

Bedrooms	4
Bathrooms	3
Build	328 ²
Plot	23500 ²
Pool	Yes
595,000 Eur	

This enchanting country house with, for a property of such magnitude, extraordinary flair, is embedded in twenty three thousand square meters of gloriously green landscape, with an ever-fascinating view of the “sleeping elephant”, the legendary rock massif that separates Denia from Javea. Due to a pleasing, exceedingly attractive floor-plan and extensively applied woodworking, an ambience of well-being emerges that spreads the warmth and sense of security of an Alpine or Scandinavian lodge.
