395,000 Eur	

STUNNING SEAVIEWS on Las Rotas Denia! With the imposing Montgó massif in the background and the immense blue of the Mediterranean Sea within walking distance, is an impeccably maintained property comprising a total of 2 living units, on different levels with separate entrances. It offers diverse possibilities, including use as an ideal rental property, not to mention a first-rate holiday home for a large family, friendly couples or such like.
